

# Meet Microsoft Surface Go 3

Full-access flexibility for your federal agency

Your frontline workers are your eyes and ears in the field, and they need flexibility to show you their point of view. Whether checking off tasks, handwriting notes on screen, capturing photos in Tablet mode, typing field reports in Laptop mode, or doing a video consult in Microsoft Teams,\* Surface Go 3 helps your workers get the job done.

## Designed for work on the go

Speed through tablet-and-digital pen tasks with touch and Surface Pen.\* Tune in to virtual meetings and how-to videos with the 10.5" PixelSense™ Display. **Surface Go 3** is compact and delivers all-day battery life<sup>2</sup> for work on the go.

## Your connection to customers

**Surface Go 3** enables you to keep lines of communication open with a faster processor, stable connectivity with optional, secure LTE Advanced<sup>1</sup>, fast Wi-Fi 6, and seamless interactions with essential Microsoft 365 apps.\*

## Work more securely, on your terms

Whether you need to physically disable cameras or just want to better secure all aspects of your corporate endpoints, **Surface Enterprise Management Mode (SEMM)** provides a scalable deployable utility to meet this need. Administrators can selectively choose to enable or disable hardware-based components, in addition to boot options, on a per-device basis—all secured via PKI.

## Equipped for government use

Protect your device with the **Kensington BlackBelt Rugged Case\*** with Integrated CAC Reader, and military-grade drop protection or the **IOGEAR Smart Card Reader Hub for Surface\***. These FIPS 201-compliant smart card readers provide a highly secure connection to your network.

### Disclaimer

\* Sold separately. Software license required for some features.

<sup>1</sup>Surface Go 3 with LTE Advanced is coming in 2022. Visit [Surface.com](https://surface.com) for updates on availability in your market. Availability may vary by market and configuration. Service availability and performance subject to service

provider's network. Contact your service provider for details, compatibility, pricing, SIM card, and activation. See all specs and frequencies at [surface.com](https://surface.com).

<sup>2</sup>Battery life varies significantly based on usage, network and feature configuration, signal strength, settings and other factors. See [aka.ms/SurfaceBatteryPerformance](https://aka.ms/SurfaceBatteryPerformance) for details.

## Warranty support you can trust

Work without worries, knowing you can receive quick and reliable support through Microsoft's service partnership with ITG. Choose **3-year, 4-year, or 5-year onsite warranties w/ Keep Your Hard Drive**, receive support by the next business day, and remain in full compliance with regulations.

Bands supported: 1, 2, 3, 4, 5, 7, 8, 12, 13, 14, 19, 20, 25, 26, 28, 29, 30, 38, 39, 40, 41, 66 LTE Advanced: Assisted GPS and GLONASS support LTE Advanced: eSIM support
<b>Sensors</b>	Ambient light sensor Accelerometer Gyroscope Magnetometer NFC	<b>Exterior</b>	Casing: Magnesium Color: Platinum Physical buttons: Volume, Power
<b>What's in the box</b>	Surface Go 3 for Business Power Supply Quick Start Guide Safety and warranty documents	<b>Warranty</b> <sup>6</sup>	1-year limited hardware warranty
<b>Weight</b>	Wi-Fi: 1.2 lb (544 g), not including Type Cover Surface Go 3 with LTE Advanced is a pre-release product and features are subject to change and may vary by country/region. Products and features subject to regulatory certification/approval; actual sale and delivery is contingent on compliance with applicable requirements.	<b>Pen compatibility</b>	Surface Go 3 supports Microsoft Pen Protocol (MPP)

<sup>1</sup>System storage is subject to change based on system software and updates and apps usage. 1 GB = 1 billion bytes. 1 TB = 1,000 GB. See [Surface Storage](#) for more details.

<sup>2</sup>Surface Go 3 battery life: Up to 11 hours of battery life based on typical Surface device usage. Testing conducted by Microsoft in August 2021 using preproduction software and preproduction configurations of Surface Pro 8. Testing consisted of full battery discharge with a mixture of active use and modern standby. The active use portion consists of (1) a web browsing test accessing 8 popular websites over multiple open tabs, (2) a productivity test utilizing Microsoft Word, PowerPoint, Excel, and Outlook, and (3) a portion of time with the device in use with idle applications. All settings were default except screen brightness was set to 150nits with Auto-Brightness disabled. Wi-Fi was connected to a network. Tested with Windows Version 11.0.22000.9 (21H2). Battery life varies significantly with settings, usage and other factors.

<sup>3</sup>Requires license or subscription to activate and use.

<sup>4</sup>Activation required. If your device is managed by your organization's IT department, contact your IT administrator for activation. After 30 days, you will be charged the applicable monthly or annual subscription fee. Credit card required. Cancel any time to stop future charges. See <https://aka.ms/m365businesstrialinfo>.

<sup>5</sup>Surface Go 3 with LTE Advanced is coming in 2022. Visit [surface.com](https://surface.com) for updates on availability in your market. Availability may vary by market and configuration. Service availability and performance subject to service provider's network. Contact your service provider for details, compatibility, pricing, SIM card, and activation. See all specs and frequencies at [surface.com](https://surface.com).

<sup>6</sup>Microsoft's Limited Warranty is in addition to your consumer law rights.

<sup>7</sup>Weight not including Type Cover.
